

Club News:

Larry Knobbe found a class ring in a park on the Eastern Shore from Chisholm High School in Enid, Oklahoma. He decided to call the people on the Eastern Shore that had the last name of the person who owned the ring. This paid off and he located the owner & is set to return it. Hopefully he will get pictures & they can be run next month.

We were glad to see John Gillin back and doing well after his ordeal in England. He told about their trip to England. It seems everyone except John had a good time.

Scott McLaine has the 2007 Red Book for \$10.00 if anyone is interested contact him.

Mr. Mumford is set to speak at the October meeting on the Civil War in Maryland. If you have never been to a talk given by Mr. Mumford you are in for a treat. Please plan to attend, it is a good presentation as I have already seen it at the Eastern Shore meeting.

Thanks to Art Malone for selling a silver round to the club for the drawing as Mike Sell was not there. We would like to thank Bill Herman & David Perez for the food that was provided for the September meeting.

John & Angela Meyers & Scott Preto are responsible for the food at the October meeting.

M.A.R.S. Clubs Officer Elections will be held in January.
