July 2007

## Club News:

We are trying to put together a club hunt at Leakin Park in either October or November. If you would like to help with this please see Bob Shaffer.

We would like to thank Art Malone for speaking to us about wireless headphones.

We would like to thank Phil McCutcheon and Albert Medlock for their donations of things to auction off. The proceeds were to be split between the two hunt jugs.

I have been advised that the Greenbriar park hours of metal detecting are 7am – 9am. Please be advised that all Law Enforcement agencies have been advised to watch for people detecting during off hours.

We would like to thank Leo Fisher & Val Ozolins for the food they provided for the July meeting.

Mike Sell & Ron Riggs are responsible for bringing the food to the August meeting.
