

Club News:

We had one new member at the March meeting. We would like to welcome Paul Gunter to the club. Known sick in April were Norman Will who was in the hospital, Albert Medlock & Phil McCutchen. We had our yearly club auction we would like to thank Scott MacClain & Barney Dolt for conducting the auction. As always they done a great job.

Bob Shaffer related his experiences at the North South Hunt. I can personally tell you that we all had a great time even though none of us dug a great many items.

Carol Rodger gave a summation of the Club's Leakin Park hunt. It seems there were several pieces of silver & a silver ring that was found. She also commended Robert Bachman for rescuing an abandoned cat at the hunt and getting it to a vet and arranged for it to be adopted.

We would like to thank Carol Rodger & Jerry Boston for the food provided at the March meeting. I personally would like to say thank you to John Purcell whom stepped up and took the minutes as well as taking the Paper items in for me in March as I was ill and unable to attend.

No one signed up to bring food to the meeting in April & I was not there to remind anyone so I will bring food for the meeting.
