## Club News:

We had one visitor, Shemp Howard. We had a club hunt at Leakin Park on the 17<sup>th</sup> of November; unfortunately we only had 5 people attend. All that attended had a good time and most found some nice things. We are looking for alternate sites to hold our club hunts, so if anyone has any ideas please let either, Bob Shaffer, Carol Rodger, Albert Medlock or Mike Sell know about them. We also discussed the possibility of planting clad coins and tokens instead of silver as the price of silver is beginning to get to the point that it is hard to have a quality hunt without the entry fees being to high.

We are having our clubs Christmas party on December 12<sup>th</sup> at 7pm, so please plan to attend. Everyone who attends is requested to bring a covered dish. The club will provide the paper products and the sodas. There will be food, drinks, music & we will give awards for both the Hunter of the Year & the Find of the Year. If you want to be considered for find of the year please bring the find that you wish to be judged.

We would like to thank Randy Jordan, Bobby Laluna, John & Angela Meyer for the food we had at the October meeting.

Bob Shaffer & Scott Preto are responsible for the food for the November meeting.

**The November meeting is Wed. the 28<sup>th</sup>. At 7:30PM.**
